Exhibit 8.B.4.4 — Utah Administrative Rule Excerpt and ACEN Accredited Practical Nursing Program Lookup

(23) "Licensure by equivalency" applies only to a licensed practical nurse and may be warranted if the person seeking licensure:

- (a)(i) has, within the two-year period preceding the date of application, successfully completed course work in a registered nurse education program that meets the criteria established in Sections 58-31b-601 and R156-31b-601; and
- (ii) has been unsuccessful on the NCLEX-RN at least one time; or
- (b)(i) is currently enrolled in an accredited registered nurse education program; and
- (ii) has completed course work that is certified by the education program provider as being equivalent to the course work of a practical nursing program accredited by the Accreditation Commission for Education in Nursing (ACEN), as verified by the nursing education program director or administrator.

(24) "LPN" means licensed practical nurse.
