ADDENDUM NO. 2 TO THE MEMORANDUM OF UNDERSTANDING

Between

Southern Utah University (also referred to as SUU)
& Southwest Technical College (also referred to as STECH)

On March 23, 2018, SUU and STECH entered into Memorandum of Understanding (MOU) for the purpose of providing enhanced opportunities for the students of both institutions. The parties now mutually desire and agree to make the following additions. The purpose of addendum No. 2 is to delineate student fees for STECH students participating in the dual enrollment agreement between the two schools.

WHEREAS, parties agree that the dual enrollment partnership between STECH and SUU will begin in Computer Science in the fall of 2018, with STECH students having the option to participate in the dual enrollment agreement;

AND WHEREAS, parties agree that the dual enrollment partnership between STECH and SUU will begin for all other eligible STECH students (those in articulated, certificate programs) in fall semester of 2019:

AND WHEREAS, STECH students opting to participate will be dually admitted, enrolled, and begin to receive SUU credit as they complete STECH courses;

AND WHEREAS, SUU students pay a student fee each semester in support of student activities, which allows them access to such activities and facilities as SPB-sponsored events, the SUU Fitness Center, and Intramural Sports;

AND WHEREAS, Southern Utah University Student Association (SUUSA), the SUU student government oversees the spending of much of the money collected in student fees, and operates activities through the Student Program Bureau (SPB);

AND WHEREAS, STECH students do not pay a similar student fee, and in addition, STECH students pay tuition that is significantly lower than SUU tuition rates;

AND WHEREAS, it is the desire of both parties to facilitate the dual enrollment process with as few additional fees or requirements for STECH students as is possible and equitable;

NOW THEREFORE THE PARTIES AGREE TO A TWO-TIERED STUDENT FEE PLAN FOR PARTICIPATING STECH STUDENTS AS FOLLOWS:

Tier 1 - No Student Fee (\$0.00)

- STECH students will have access to the SUU Student Portal, student email account, student transcript, access to all library services, access to SUU advisers, and other student services typically provided when a student is admitted to SUU.

Dated this 1st day of October, 2018

Exhibit 5.A.6.6 — Library Resources Access at Southern Utah University for Southwest Technical College Students (Main Campus & All ISCs)

The screenshot shows the homepage of the Gerald R. Sherratt Library at Southern Utah University. The top navigation bar includes links for ADMISSIONS, ACADEMICS, STUDENT LIFE, ABOUT, and APPLY. Below the navigation is a search bar with links for mySUU, Students, Faculty/Staff, Alumni, and Donors. The main content area features a banner image of a modern building facade. Below the banner, the title "Gerald R. Sherratt Library" is displayed. A search bar allows users to "Search for books, media, articles, and more". To the right of the search bar is a red "Search" button. Below the search bar are several links: "Find a Database", "Find a Textbook", "Interlibrary Loan", "Find a Journal", "Maps", "Find a Subject Guide", "Lost and Found", and "Hours". At the bottom of the page are four thumbnail images with labels: "Ask a Librarian" (showing a bust of a man), "Study Rooms" (showing study carrels), "Checkout Desk" (showing a book return slot in a brick wall), and "Copy Shop" (showing a printer and copier). Each thumbnail has a small caption below it.

Exhibit 5.A.6.7 — Northstar Student Information System Login (Main Campus & All ISCs)

The screenshot shows the login page for the Northstar Student Management system. The left side of the page features the "northstar student management" logo with a stylized speech bubble graphic. The right side is a dark-themed login form with the word "welcome" in yellow. It includes fields for "Username" (with a yellow border) and "STECH Production" (in a dropdown menu). A "Log In" button is located at the bottom right of the form. The footer of the page includes copyright information: "© 2025 USHE" and "v2.25.2.0".

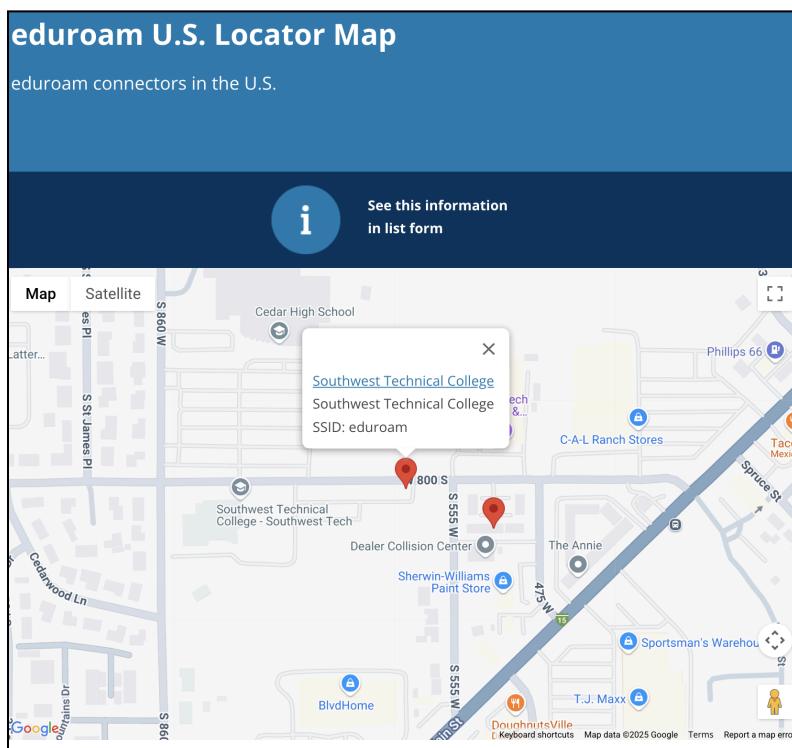

Exhibit 5.A.6.8 — USHE IT Shared Services with Highlights of Software Used by Southwest Technical College (Main Campus & All ISCs)

USHE IT Shared Services																																																															
<p>For many years, the CIOs and IT Directors within the Utah System of Higher Education (USHE) have actively pursued collaboration on shared services and software contracts. This cooperative approach has significantly improved efficiency and reduced costs across the entire system. Committed to ongoing innovation and financial stewardship, our USHE CIOs and IT Directors continuously explore new opportunities for collaboration to further enhance efficiency and achieve cost savings. The following information outlines our current shared services and contracts, as well as opportunities for future cooperative efforts we are exploring.</p>																																																															
<p>The Utah Education & Telehealth Network (UETN)</p> <p>UETN provides higher education institutions with a robust infrastructure of broadband and broadcast technologies, linking over 2,000 K-12 schools, higher education institutions, public libraries, and telehealth sites across Utah's urban, suburban, and rural areas. Through UETN's centralized services, including maintenance and technical support, institutions avoid the need to hire extensive IT staff, minimizing downtime and ensuring efficient operation. Additionally, UETN negotiates bulk purchasing agreements for internet bandwidth, technology services, and equipment, resulting in lower costs and significant savings for individual institutions. Remarkably, our Utah Higher Education Institutions do not have to pay for internet connectivity because of UETN's comprehensive coverage, eliminating the need for separate solutions. UETN is nationally known and highly regarded across the country for its implementation model.</p> <p>See Attachment 1</p>

Exhibit 5.A.6.12 — Cengage Unlimited Institutional Access (Main Campus & All ISCs)

The screenshot shows the Cengage Unlimited Institutional Access landing page. At the top, there's a navigation bar with the Cengage logo, a dropdown menu labeled "Institutional Leader", and search and menu icons. Below the header, a breadcrumb trail reads "Cengage > Institutions > Unlimited". The main section features a large image of a smiling man wearing glasses and a blue striped shirt. To his left, the text "Cengage Unlimited for Institutions" is displayed in large white font, with the subtitle "Powering success for students and faculty from day one." underneath. A yellow "CONTACT US" button is visible. Below this, a white box contains the text "Affordability, access and flexibility, all right here". At the bottom of the page, a box titled "CENGAGE SALES AGREEMENT" contains a table with two rows: "Customer Name" (Southwest Technical) and "Effective Date" (07/01/2024). A paragraph of fine print follows, detailing the terms of the agreement between Cengage Learning, Inc. and the customer.
