

6.B.2

The health and safety plan has been distributed to employees.

Exhibit 6.B.2.1 — Navigation to Health & Safety Plan on Employee Hub

The screenshot displays the Southwest Tech Employee Hub website. The navigation bar at the top includes links for Home, HR, Finance, **Facilities, Safety, and IT** (highlighted with a red box), Marketing, Student Services, and Academics. Below the navigation bar is a large banner for the Employee Hub. Underneath the banner is a section titled "Facilities, Safety, and IT Support" which contains nine icons representing different services. The icon for "Plans and Safety Programs" (a document with a pencil) is highlighted with a red box. Below this section is another banner for "Plans & Safety Programs". At the bottom, there are four document thumbnails. The first thumbnail, titled "Health & Safety Plan", is highlighted with a red box. The other thumbnails are "Facilities Operations & Maintenance Plan", "Technical Infrastructure Plan", and "Lockout / Tagout Program".
