Exhibit 0.G.2.2 — Job Description for Administrator over Kane County ISC

JOB DESCRIPTION	
Institution:	Southwest Technical College
Position:	Director of Programs, Kane Campus
Last Revised:	12/27/2023
Reports To:	Vice President of Academics
Job Summary: Provides strategic and tactical leadership and vision in assigned college training programs, and supports the College's presence and growth in Kane County. Manages program faculty in the development and implementation of budget, scheduling, instruction, and acquisition of training resources. Represents the College interests to industry, community, and educational leaders. Maintains key community relationships in support of the college mission. Directly reports to the Vice President of Academics to ensure all aspects of technical training and articulation agreements fulfill accreditation requirements and the College mission, including the coordination of daily events at the Kane campus including basic initial student services support and program planning.	
10.	Participate in community organizations and related service-based organizations to promote awareness of the College in Kane County.
11.	Maintain effective communication with sponsor agencies including Department of Workforce Services, Deseret Industries, and Vocational Rehabilitation.
12.	Maintain a productive campus support office including telephone communication, office supplies, office machines, literature and other student support documents; receives, sorts, and distributes all incoming mail from U.S. Post Office, courier services, and schools; receives all outgoing mail daily, adds postage, and sorts for delivery.
13.	Assists students through the College registration and enrollment process.
14.	Collaborate with the Director of Marketing and Recruiting regarding program offerings in Kane County.
15.	Provide administrative support for faculty and student concerns.
16.	Performs routine miscellaneous clerical tasks such as filing, making copies, faxing information and compiling written communication as necessary.
17.	Perform other related duties as assigned.

Exhibit 0.G.2.4 — Academic Advisor Job Description Summary

JOB DESCRIPTION							
Institution:	Southwest Technical College						
Position:	Academic Advisor						
Last Revised:	11/11/24						
Reports To:	Coordinator of Advising & Enrollment						
Job Summary: The Academic Advisor provides personalized academic advising to students, supporting their educational and career goals. This role includes monitoring academic progress, assisting students in creating plans for success and providing interventions for students who may be struggling. The Advisor works to enhance student retention and engagement by participating in campus activities, using data to identify at-risk students, and fostering academic success through proactive advising strategies. Essential Functions: <table> <tr> <td>1.</td><td>Arrange meetings with and assist students not working within the bounds of student policies, including SAP, Student Conduct, and all other applicable policies.</td></tr> <tr> <td>2.</td><td>Utilize SAP data trends to identify students who may be struggling and provide early and targeted intervention to address potential issues.</td></tr> <tr> <td>3.</td><td>Advocates for students, while balancing the interests of the students and the College, maintaining the integrity of the College's academic programs and policies.</td></tr> </table>		1.	Arrange meetings with and assist students not working within the bounds of student policies, including SAP, Student Conduct, and all other applicable policies.	2.	Utilize SAP data trends to identify students who may be struggling and provide early and targeted intervention to address potential issues.	3.	Advocates for students, while balancing the interests of the students and the College, maintaining the integrity of the College's academic programs and policies.
1.	Arrange meetings with and assist students not working within the bounds of student policies, including SAP, Student Conduct, and all other applicable policies.						
2.	Utilize SAP data trends to identify students who may be struggling and provide early and targeted intervention to address potential issues.						
3.	Advocates for students, while balancing the interests of the students and the College, maintaining the integrity of the College's academic programs and policies.
