Exhibit 0.A.1 Worksheet A.14.3 — GLBA Internal Audit and Risk Assessment

Southwest Technical College FY24-25 Risk Assessment						
Purpose	The purpose of this assessment is to assess and address the risks to customer information in all areas of operation, including three areas that are particularly important to information security: Employee Management & Training; Information Systems; and Detecting and Managing System Failures.					
Review Date	8/23/2024					
Compliance	Gramm-Leach-Bliley Act Cybersecurity Requirements (link). Presented to the College Board of Directors at least yearly in compliance with 16 C.F.R. 314.4.i (link)					
Conclusion	Completion of this worksheet satisfies the STECH GLBA Compliance Requirement.					

	Assessment Description	Comment	Current process in place (Y/N)	Current process effective (Y/N)	Additional safeguard and/or policy to be implemented	Responsible Office/Position
Part I	Employee Management and Training (successful information security programs depend on the employees who implement it)					
I.a	Check references or do background checks before hiring employees who will have access to customer information		Y	Y		HR
I.b	Ask every new employee to sign an agreement to follow your company's confidentiality and security standards for handling customer information		Y	Y		HR
I.c	Limit access to customer information to employees who have a business reason to see it.		Y	Y		IT Director
I.d	Control access to sensitive information by requiring employees to use "strong" passwords that must be changed on a regular basis (strong passwords require the use of at least six characters, upper and lower case letters, and a combination of letters, numbers, and symbols)		Y	Y		IT Director
I.e	Use password activated screensaver to lock employee computers after a period of inactivity		Y	Y		IT Director
I.f	Develop policies for appropriate use and protection of laptops, PDAs, cell phones, or other mobile devices. For example, make sure employees store these devices in a secure place when not in use. Consider that customer information in encrypted files will be better protected in case of theft of such a device.	General policies in place that are meeting these criteria. More specific policies will be considered	Y	Y		IT Director

Exhibit 0.A.1 Worksheet A.14.5 — Student Admissions Policy - Transfer Students from Other Institutions**Student Services**Student Admissions Policy

Effective Date: May 8, 2025

Revision Approval: May 7, 2025

1. Policy

Any person who declares a technical training objective is eligible for admission at Southwest Technical College (Southwest Tech). A high school diploma or equivalent is not required for admission, but is mandatory for students seeking Title IV Federal Financial Aid.

3. Transfer Students – From Other Institutions

Coursework and competencies completed at other institutions will be evaluated to determine if it meets any of the competency requirements of the Southwest Tech program in which the student plans to enroll. Students who transfer and request course credit must provide official transcripts and any other required reports, records, or evaluation of the credit to the Southwest Tech Registrar's office for review. Credit from other institutions will not be considered unless the granting institution is accredited by an agency recognized by the U.S. Department of Education or whose acceptance is required by a state or federal approving agency.

Please note: official transcripts are prepared and sent by the prior institution at the student's request, directly to the Southwest Tech Registrar's office. Sealed tamper evident paper copies or password protected encrypted emails are considered official transcripts. Opened paper copies or unsecure email copies are considered unofficial and are not acceptable for prior credit review.
