

0.A.1 Worksheet B.1

*The institution satisfies each eligibility requirement for a Candidate of Accreditation. Institutions with non-main campus sites (branches, extensions, extended classrooms, instructional service centers) must meet additional eligibility requirements applicable to those locations. Institutions seeking candidate status with the Commission that have non-main campus sites must comply with the following additional eligibility requirements: **The ownership of all branches and extensions is identical to that of the main campus.***

Note: Southwest Technical College is a public technical college in the Utah System of Higher Education (USHE). Richfield ISC operates via a collaboration with Snow College, another member of the Utah System of Higher Education. Kane County ISC operates via a collaboration with Utah State University, a USHE member, and Kane County School District, a public K12 school district in Utah. Beaver High School ISC operates via a collaboration with Beaver County School District, a public K12 school district in Utah.

Exhibit 0.A.1 Worksheet B.1.1 — Memo on non-main campus sites

MEMORANDUM

Subject: Non-main campus sites

Date: January 15, 2025

Southwest Technical College has three non-main campus sites, all of which are instructional service centers (ISCs). Southwest Technical College does not utilize branches, extensions, or extended classrooms.
