Exhibit 0.A.1 Worksheet B.2.4 — Job Description for Administrator over Richfield ISC

JOB DESCRIPTION	
Institution:	Southwest Technical College
Position:	Director of Transportation and Apprenticeships
Last Revised:	01/04/2024
Reports To:	Vice President of Academics

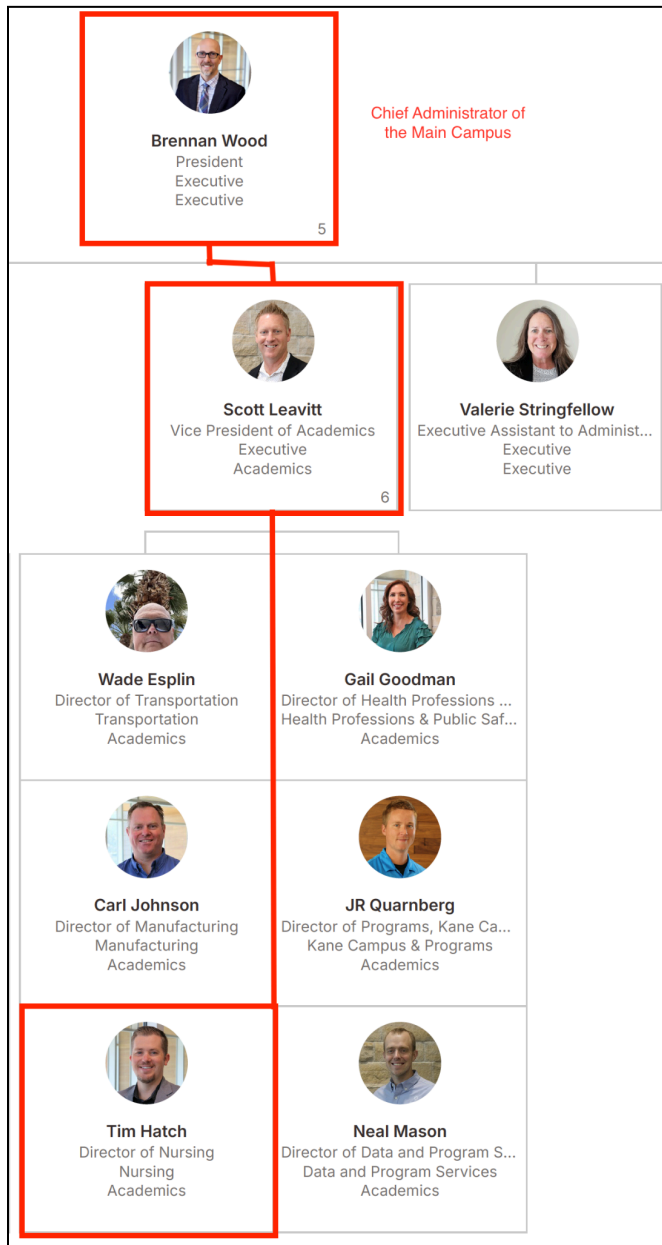

Job Summary:

Supports the College Mission to serve students, employers, and the College community. Provides leadership for the transportation programs and quality education and job skill training in a safe, clean, positive, and productive learning environment. Participate collaboratively and professionally with students, faculty, staff and college partners to promote the general well-being of the department and the college.

As the Director, additional job duties and requirements are included. The Director is primarily responsible for curriculum development and ensuring that this is current in meeting the latest trends, technology and needs of the industry. Must also maintain current, state-of-the-art training skills. Arranges schedules of classes and assigns faculty to conduct classes. Participates in the budgetary process. Participates in the interviewing and decision process for faculty positions within the department. Additional focus on building relationships, partnerships, and outreach with business/industry leaders is expected. Works as a liaison with employers to promote jobs and careers for students.
