Student Services
Student Admissions Policy

Effective Date: May 8, 2025

Revision Approval: May 7, 2025

1. Policy

Any person who declares a technical training objective is eligible for admission at Southwest Technical College (Southwest Tech). A high school diploma or equivalent is not required for admission, but is mandatory for students seeking Title IV Federal Financial Aid.

3. Transfer Students – From Other Institutions

Coursework and competencies completed at other institutions will be evaluated to determine if it meets any of the competency requirements of the Southwest Tech program in which the student plans to enroll. Students who transfer and request course credit must provide official transcripts and any other required reports, records, or evaluation of the credit to the Southwest Tech Registrar's office for review. Credit from other institutions will not be considered unless the granting institution is accredited by an agency recognized by the U.S. Department of Education or whose acceptance is required by a state or federal approving agency.

Please note: official transcripts are prepared and sent by the prior institution at the student's request, directly to the Southwest Tech Registrar's office. Sealed tamper evident paper copies or password protected encrypted emails are considered official transcripts. Opened paper copies or unsecure email copies are considered unofficial and are not acceptable for prior credit review.

FREQUENTLY ASKED QUESTIONS

You have questions. We have answers.

WILL MY COURSES TRANSFER TO ANOTHER EDUCATIONAL INSTITUTION?

Southwest Technical College works closely with Southern Utah University, and has fostered a unique dual enrollment agreement with them. As a result, many course credits at Southwest Tech will count towards an SUU degree. For more information on this dual enrollment partnership, [click here](#).

In addition, Snow College's "TechConnect" program provides transfer credits for courses completed at Southwest Tech. [Click here](#) to read more about how TechConnect can further your educational goals.

Finally, high school students can receive high school credit upon successful completion of most courses taken at Southwest Tech.
