Student Admissions Policy

Effective Date: May 8, 2025

Revision Approval: May 7, 2025

1. Policy

Any person who declares a technical training objective is eligible for admission at Southwest Technical College (Southwest Tech). A high school diploma or equivalent is not required for admission, but is mandatory for students seeking Title IV Federal Financial Aid.

2. Transfer Students - Within the Institution

Southwest Tech coursework completed will be evaluated to determine if it meets any of the competency requirements of the program in which the student plans to enroll. Steps for program transfer:

- 2.1. Completed Program Transfer Request form, available at the main campus in Student Services.
- 2.2. Students are required to meet with an Academic Advisor to discuss the request.
- 2.3. Program transfer requests must be approved by Student Services.
- 2.4. Students will be encouraged, and on occasion required, to complete a current course prior to transferring to a new program.
- 2.5. Any debt associated with the current program must be satisfied (including those associated with Federal Financial Aid as a result Return of Title IV calculations) prior to approval for transfer into a new program.

3. Transfer Students – From Other Institutions

Coursework and competencies completed at other institutions will be evaluated to determine if it meets any of the competency requirements of the Southwest Tech program in which the student plans to enroll. Students who transfer and request course credit must provide official transcripts and any other required reports, records, or evaluation of the credit to the Southwest Tech Registrar's office for review. Credit from other institutions will not be considered unless the granting institution is accredited by an agency recognized by the U.S. Department of Education or whose acceptance is required by a state or federal approving agency.

Please note: official transcripts are prepared and sent by the prior institution at the student's request, directly to the Southwest Tech Registrar's office. Sealed tamper evident paper copies or password protected encrypted emails are considered official transcripts. Opened paper copies or unsecure email copies are considered unofficial and are not acceptable for prior credit review.
