PROGRAM DESCRIPTION

The Nursing Assistant program is designed for students to receive their certification by completing coursework in classroom and clinical settings.

Program Objectives

- Explain activities of daily living and nursing assistant scope of practice.
- Demonstrate correct recognizing and reporting, communication, infection control, safety, and residents' rights in the care setting.
- Demonstrate proficiency in all skills required for state certification.
- Perform nursing assistant skills in a healthcare setting.

COURSE DESCRIPTIONS

Nursing Assistant

3 Credits

The Nursing Assistant course introduces students to basic nursing skills in a classroom and laboratory setting.

Course Objectives:

- Explain activities of daily living and nursing assistant scope of practice.
- Describe how critical criteria such as recognizing and reporting, communication, infection control, safety, and residents' rights are applied in the care setting.
- Demonstrate proficiency in all skills required for state certification.
- Perform nursing assistant skills in a healthcare setting.

Nursing Assistant Clinical

0.5 Credits

In Nursing Assistant Clinicals you will demonstrate and perform skills with residents/patients related to daily living in a local long-term care facility. Upon successful completion of this course and Nursing Assistant Classwork, you will be eligible to sit for the UNAR Certified Nursing Assistant written and skills evaluations.

Course Objectives:

- Demonstrate the critical criteria (recognizing and reporting, communication, infection control, safety, and resident's rights) as applied in the care setting.
- Perform nursing assistant skills in a healthcare setting.
