Exhibit 0.A.18 Worksheet B.6.C.2 — Satisfactory Academic Progress (SAP) Policy**Student Services****Satisfactory Academic Progress (SAP) Policy**

Effective Date: March 2, 2023

Revision Approved: March 2, 2023

1. Policy

This policy is to inform students about standards for progress to enable successful completion of academic programs within a reasonable time frame¹.

2. Standards

- 2.1. Courses and programs may offer letter grades, or operate on a pass/not-pass basis.
- 2.2. Southwest Tech maintains a minimum requirement of 67 percent progress. Progress is calculated by factoring standard hours completed against enrolled hours. Please refer to course syllabi as some programs and courses may require attendance and/or higher standards of progress.
 - 2.2.1. Students are encouraged to check their progress often by using the Student Portal. Disputes should be reported to faculty.
- 2.3. Credit transferred from another source is included in the reasonable time frame referenced above.

3. Tracking – Post-Secondary Certificate Seekers

Progress is tracked on a calendar quarterly basis for Certificate Seekers. Students enrolled less than a month of any quarter will not be held accountable for that quarter. However, all tracking is cumulative, so progress for that quarter will be factored toward all future quarters.

SOUTHWEST TECH

SOUTHWEST TECHNICAL COLLEGE

TEPT 1010 - Introduction to Pharmacy (3 Credits)

Course Description

This course serves as an introduction to the pharmacy technician profession, pharmacy technician roles, and the different types of pharmacies within the healthcare delivery system. Students are introduced to state and federal pharmacy practice laws, and the pharmacists' patient care process. Students learn the concepts of pharmacology, medications, and calculations needed to ensure patient safety.

Course Policies

Please refer to the Pharmacy Technician Program handbook for more in-depth information about program requirements and expectations. Highschool Specific Information: This is a college-level course; the students are expected to go through a lot of material each quarter. If the student stays on track this year, they should complete at least 330 hrs of didactic/simulation and earn 11 college credits. Each student is welcome to (and encouraged to) complete more hours if they wish. If the student completes the entire program, it will count as 17 college credits. Pharmacy Technician students must wear scrubs to class every day. Each student will become CPR-certified and complete a Wellness Promotion & Disease Prevention project this year. Unless a high school student wants to go to an externship, they do not need to get a trainee license, a background check, a drug test, or any vaccines. **High school Class Schedule:** 1st & 2nd Period Cedar 8:00 am - 10:29 am (M-Th) and 8:00 am - 9:55 am (F) Canyon View 8:05 am - 10:10 am (M-Th) and 8:05 am - 9:18 am (F) 3rd & 4th Period or 4th & 5th Period Cedar 12 pm - 2 pm (M-Th) and 10 am - 12:05 pm (F) Canyon View 12:30 pm - 2:32 pm (M-Th) and 10:32 am - 11:45 am (F) **Course Requirements:** Students must have a minimum of 80% on each module to pass that module. All assignments must be submitted during your scheduled in-class time. All tests will be taken during your scheduled in-class time, either in the classroom or at the Testing Center. The student is required to keep their attendance above 80%. Please come to class well-groomed, appropriately dressed (pharmacy workplace appropriate), and ready to learn! Students are expected to be patients, pharmacists, managers, etc for each other during simulations and labs. Students must sign up for one lab at a time so that all students can progress during lab-based modules. All students must become CPR certified, complete the Wellbeing Promotion and Disease Prevention Project, obtain a Pharmacy Tech Trainee License, and complete/upload all required items on Verified Credentials before the end of TEPT 1100. Please refer to the Pharmacy Technician Program Handbook for more specific information. **Adult Grading:** Each assignment is awarded points according to how well the submission follows the directions. Written submissions will be graded on but not limited to spelling, grammar, and punctuation. Students must have a minimum of 80% on each module to pass off the module. All modules must be passed off before students move on to the next class. All tests, assignments, quizzes, and labs can be resubmitted if the total module score is below 80%. At the end of each module, students are asked to submit a "Student Acknowledgement Statement" showing completion of all module requirements. End of Course grades are based off the average module grades on Canvas and the number of enrollments in said course. End of Course Grading Scale: (95-100%) A, (90-94%) A-, (85 - 89%) B+, (80 - 84%) B, (>79%) F, (withdrawal/incomplete) W or I. **Attendance:** When a student signs up for this class, the student commits to a schedule that is expected to be followed. The student required to keep their attendance at an 80% minimum. If the student is below 80% at the weekly check, we will put the student on a Student Improvement Plan (SIP). An example of SIP can be found in the
