1. Purpose

Southwest Technical College (Southwest Tech or the College) is committed to maintaining a learning environment conducive to its mission of providing education and job skill training through individualized competency-based programs in response to the needs of students, employers and the communities we serve. To achieve this goal, faculty members emphasize and teach the workplace readiness skills and safety expected by employers. Students are expected to behave in ways that enhance their ability, and the ability of other students, to learn. In all cases, students must respect the rights and privileges of others.
