| TEMA 1910                                                         | Medical Assistant Externship II   | 2            | Aligned             |

#### Medical Assisting Procedures I

2 Credits

Medical Assisting Procedures I will focus on medical emergencies, rehabilitation, specialty exams, and healthy living. Concepts covered include BLS, proper application of bandages, wound care, pediatric, mental health, OB/GYN, patient education of mobility equipment, and healthy nutrition and lifestyles.

#### Course Objectives:

- Manage emergencies in the medical office.
- Perform first aid in accidents, injuries, and acute illnesses.
- Educate patients regarding proper diet and nutrition guidelines.
- Demonstrate the use of different mobility equipment.
- Demonstrate proper measurements of pediatric patients.
