0.C.6 Worksheet Kane.17.2 — Student Engagement Lead Job Description

JOB DESCRIPTION					
Institution:	Southwest Technical College				
Position:	Student Engagement Lead				
Last Revised:	05/2/2025				
Reports To:	Director of Student Affairs				
Job Summary: The Student Engagement Lead oversees and coordinates key student-facing initiatives to enhance enrollment, engagement, and student success. This position oversees the daily operations of the Student Navigation Center, manages student job placement services, directs the recruitment team, and guides student engagement efforts. The Lead ensures students are connected to essential campus and community resources, supports their career development, and fosters a vibrant student experience. This role also manages the Student Pantry, maintains accurate employer and student data, and contributes to student-focused communications, including social media outreach. Essential Functions: <table border="1" style="width: 100%; border-collapse: collapse;"> <tbody> <tr> <td style="width: 5%; text-align: center; vertical-align: top; padding: 5px;">1.</td> <td style="padding: 5px;">Oversee daily operations of the Student Navigation Center, proactively assess student needs, and connect them with appropriate campus and community resources (e.g., food pantry, mental health services).</td> </tr> <tr> <td style="text-align: center; vertical-align: top; padding: 5px;">2.</td> <td style="padding: 5px;">Coordinate all aspects of student job placement services, including maintaining the online job board, providing individualized career counseling (resume writing, interview skills, etc.), and facilitating connections between students and employers.</td> </tr> </tbody> </table>		1.	Oversee daily operations of the Student Navigation Center, proactively assess student needs, and connect them with appropriate campus and community resources (e.g., food pantry, mental health services).	2.	Coordinate all aspects of student job placement services, including maintaining the online job board, providing individualized career counseling (resume writing, interview skills, etc.), and facilitating connections between students and employers.
1.	Oversee daily operations of the Student Navigation Center, proactively assess student needs, and connect them with appropriate campus and community resources (e.g., food pantry, mental health services).				
2.	Coordinate all aspects of student job placement services, including maintaining the online job board, providing individualized career counseling (resume writing, interview skills, etc.), and facilitating connections between students and employers.
