Exhibit 0.C.6 Worksheet Richfield.13.2 — Academic Advisor Job Description Summary

JOB DESCRIPTION	
Institution:	Southwest Technical College
Position:	Academic Advisor
Last Revised:	11/11/24
Reports To:	Coordinator of Advising & Enrollment

Job Summary:

The Academic Advisor provides personalized academic advising to students, supporting their educational and career goals. This role includes monitoring academic progress, assisting students in creating plans for success and providing interventions for students who may be struggling. The Advisor works to enhance student retention and engagement by participating in campus activities, using data to identify at-risk students, and fostering academic success through proactive advising strategies.

Essential Functions:

1.	Arrange meetings with and assist students not working within the bounds of student policies, including SAP, Student Conduct, and all other applicable policies.
2.	Utilize SAP data trends to identify students who may be struggling and provide early and targeted intervention to address potential issues.
3.	Advocates for students, while balancing the interests of the students and the College, maintaining the integrity of the College's academic programs and policies.
